Special Districts Department

**SUBJECT: AGREEMENT WITH COLTON JOINT UNIFIED SCHOOL DISTRICT AND
BLOOMINGTON RECREATION AND PARK DISTRICT (SWIM PROGRAM –
2003)**

RECOMMENDATION: Acting as governing body of Bloomington Recreation and Park District, approve Agreement No. 03-___ with Colton Joint Unified School District in the amount of \$350 for use of the Bloomington Middle School swimming pool from June 30, 2003, through August 22, 2003.

BACKGROUND INFORMATION: On June 30, 2003, the Park District will provide a Community Development Block Grant (CDBG) funded summer swim program. This is the fifth year the program has been provided to the community. The program is predominately targeted to serve economically disadvantaged families and senior citizens within the Bloomington community.

The School District has offered to provide the Park District with use of the Community's only public pool in Bloomington to support the summer swim program. The term of this Agreement is June 30, 2003 through August 22, 2003, at a cost of \$350.

In accordance with this Agreement, the School District will maintain the physical facilities and provide all chemicals needed to maintain appropriate water quality. The Park District will provide qualified and competent staff, including certified lifeguards, which are also funded through the CDBG Program.

REVIEW BY OTHERS: This item has also been reviewed by County Counsel (L. Thomas Krahelski) on May 6, 2003. This item has also been reviewed by the County Administrative Office (Wayne Thies, Administrative Analyst) on June 20, 2003.

FINANCIAL IMPACT: This Agreement is funded in the FY 2003/04 Bloomington Park Swim Budget (SSE – 625).

COST REDUCTION REVIEW: The County Administrative Office has reviewed this agenda item and concurs with the Department's request and recommends this action based on the need for the use of the pool in connection with the summer swim program in the Bloomington area, which benefits economically disadvantaged families in the community. The expenditures for this program will be funded from the Community Development Block Grant (CDBG) funding and will have no impact on the County's General Fund.
